I had a great time at my photo shoot,
and I was really happy
with how my
photos turned out!!

I wish I could take my senior pictures again!
Picking out all the outfits and places to take them
was so much fun.

Rod definitely makes you feel relaxed.
I would recommend coming
to Rod Brown Photography
for any type of pictures you need.

I had a nice time on the two days
I came for my sessions. Mr. Brown was a
lot of fun while taking pictures
and quite funny too. He really
was open to ideas which was neat.

I would suggest him to my
friends for their photographic needs.
