

What to Wear and Bring to Your Senior Session

Something classy

when you look at your pictures
20 years from now

Something casual

what you like to wear everyday,
your own unique style

Something different

fun, wild, whatever you want...

Identity clothes

sports, music, arts, etc.

Accessories

belts, hats, jewelry, shoes

Things

bring your pet, cars, trucks, sports
equipment, instruments, trophies,
yard signs, hobbies, skis, stuff that
makes you-YOU!

Hair

we suggest no new styles. Don't
get a hair cut the day before your
session. Up-do's are fine, if its fast
and easy or split your session to
have two different looks.

Nails

your hands will be in your pictures,
have your nails done—don't forget
your toes, barefoot is in!!

Clothing

bring a variety of colors, styles,
and clothing for all seasons

Tops

feel free to add sweaters or
jackets, we suggest covering arms
in one or more outfits.

Tanning

avoid being overly tan for your
skin type. Sunburns and peeling
skin will show so wear things that
don't show tan lines or use make
up to cover.

Guys

remove any facial hair you do not
want to show, shave right before
your session

Girls

bring extra make-up for touch ups

Bumps & blemishes

don't worry we will remove them
in your final pictures
